Hi Tony,

I left you a message at 2pm today. Sorry I missed you.

I would like to get back to the Chairman of the Washoe Tribe of Nevada and California ---on his request for :

- a tour on May 18<sup>th</sup>, and
- the requested fish and plant data?

Lynda

**Subject:** RE: Leviathan Mine Site - Confirmation of Receipt of April 4 2017 Letter

I've forwarded as requested.

I don't imagine that this changes

- a. The site tour he has requested for May 18<sup>th</sup>? (they confirmed the 18<sup>th</sup> is better than the 19<sup>th</sup>)

b. The Tribe's recent request for the Fish and Plant data that was collected last year? (see yesterday's email)

Dear Ms. Barton,

Atlantic Richfield Company (ARC) appreciates the United States Environmental Protection Agency's (EPA) ongoing efforts to finalize a mutually acceptable schedule for completing the Remedial Investigation/Feasibility Study for the Leviathan Mine Site. Please find attached ARC's letter confirming receipt of EPA's April 4<sup>th</sup> letter.

Please let me know if you have any additional questions. Thank you.
